#### SUPREME COURT DENIES PERMIT TO TEST THE LAW

(By Associated Press) WASHINGTON, Jan. 12.—The supreme court today denied permission for the New Jersey Retail Liquor Dealers' association to bring original proceedings in the supreme court to test the constitutionality of the national prohibition amendment and to join its enforcement in New Jersey. The court held it had no jurisdiction.

#### ENGINEER GOES BACK TO IDAHO

(By Associated Press) C. H. Southworth, son of Dr. Stoddard Southworth, was a passenger last evening for his home at Fort Hall, Idaho, where he is project engineer for the Fort Hall Indian reservation project which will irrigate 20,000 acres for the Shoshone and Bannock Indians and numerous white settlers who have taken up land under lease. The Bannocks are an agricultural tribe and the members include some very wealthy tribesmen. The project is 60 per cent completed and the cost of the improvement is estimated at \$3,000,000 when finished. The work was started in 1912 and the project is the youngest development of the reclamation service. Mr. Southworth formerly lived at Gardnerville.

#### FIVE GALS DAILY WATER RATION IN NORFOLK, VIRGINIA

(By Associated Press) NORFOLK, Va., Jan. 12.—In this city have been placed on a water ration of five gallons a day in order to conserve the dwindling supply due to lack of rain. Unless rain comes within a few days the situation may become critical.

#### SOVIET MAKES BIG CAPTURE

(By Associated Press) LONDON, Jan. 12.—A capture of 2,000 prisoners is claimed in an official statement issued today by the soviet government at Moscow, giving details of bolshevik operations on the southern front December 21 to January 9.

#### FORMAL WEDDING HELD IN CHURCH

One of the most formal weddings that has occurred in Tonopah for years was solemnized yesterday afternoon at 3:30 when Father Ed. Noonan officiated at the marriage of Antonio Corak and Miss Josephine Mayer, formerly of Round Mountain. The church was filled with friends of the young couple who were escorted to an automobile decorated with patriotic colors and festooned with flags like the president's carriage when he goes out on festive occasions. The party drove about town greeting their friends and receiving congratulations from their countrymen. The ceremony was preceded by publication of the bans of marriage in St. Patrick's church for three Sundays in succession. The license was taken out a month ago.

#### CHINESE BANDIT ASKS RANSOM

(By Associated Press) PEKING, Jan. 12.—Dr. H. Shelton, a Christian missionary, was captured by bandits at Lanchow January 3, and is being held for ransom according to reports received here. His wife and two daughters say the kidnappers acted under orders of Yang Tien Po, a notorious outlaw. The brigands, it is stated, will treat their prisoner as a guest unless military are employed to effect his release. Officials of the American legation here and Chinese authorities are investigating the case.

#### BABY GIRL BORN TO MR. & MRS. GEO. CATTON

A girl baby arrived at the home of Mr. and Mrs. George Catton at 7 o'clock this morning and the proud father is reported to be semi-normal. Mother and child are doing nicely. Mrs. Catton will be remembered as Miss Vera Frazier formerly of the telephone staff whose romantic marriage took her friends by surprise.

VALIDITY OF NEWBERRY INDICTMENTS UPHELD  
(By Associated Press) GRAND RAPIDS, Mich., Jan. 12.—Validity of the indictments against Senator Newberry and 104 others charged with violation of election laws, was upheld today.

### CRIME OF SYNDICALISM CHARGED IN WARRANT

On warrants sworn out by H. H. Atkinson, district attorney, late Saturday evening, Mickey C. Sullivan and Mike Moriarity were arrested by Deputy Sheriff Sweet and Harris on the charge of syndicalism. Both men were committed to the county jail in default of \$2,000 bonds. Later in the evening Henry Oleson was brought in by State Policeman Murray and turned over to the sheriff to be detained under orders from the special agent of the department of justice who has been handling the local cases.

Sullivan and Moriarity appeared before Justice Grier this afternoon at 1:30 and asked for more time that they may be represented by attorneys. It is understood that M. C. Scanlon of Reno will look after their interests and as he is in the state of Washington, the court granted a postponement to Saturday at 1:30. The warrants allege that the accused, between August 1, 1919 and January 10, 1920, were members of the Metal Mine Workers' Industrial union No. 800, of the Industrial Workers of the World. The Sullivan

#### LEAVE SIBERIA IN FEBRUARY

(By Associated Press) WASHINGTON, Jan. 12.—The 8,000 American troops in Siberia will begin their homeward movement soon after the middle of February, leaving to Japan the protection of the Siberian railroad and the loyal Russian troops in eastern Siberia. The American railway commission which has been directing operations of the Siberian railroad, will come out before that time, it was learned today, and as the Czech-Slovak troops will have been repatriated early next month, all reason for the presence of American military forces will have been removed.

#### CONSUMPTIVE FOUND DEAD IN HIS CABIN

Boris Tobakovitch, a consumptive, aged 35, was found dead this morning in his cabin on Florence avenue. A neighbor observed that no smoke was issuing from the house and knowing that Tobakovitch was a sick man entered the place and found the man dead. He died during the night as he was heard moving about during the evening. The deceased returned from California recently and resumed work in the mines. He was one of the oldest men in the West End. Funeral arrangements have not been made.

#### LAX ADMINISTRATION CAUSE OF TROUBLE

(By Associated Press) WASHINGTON, Jan. 12.—Nicholas Murray Butler, president of Columbia university, told the senate committee considering the national budget system that lax administration was responsible for much of the present day public dissatisfaction.

#### BELIEVES FIGHT GOES ABROAD

(By Associated Press) LOS ANGELES, Jan. 12.—Jack Kearns, manager for Jack Dempsey, gave little chance for holding the Dempsey-Carpenter fight at The Forum, Madison Square, and he believed it must go abroad.

#### CHAIRMAN HAYES IN SAN FRANCISCO

(By Associated Press) SAN FRANCISCO, Jan. 12.—Quoted by a group of republicans of ex-servicemen, Will Hays, chairman of the republican national committee, arrived today for a series of conferences with party leaders.

warrant alleges he is a delegate of said organization with power and authority to organize and initiate members, and that during said period he has been acting as local secretary for the town of Tonopah, of said union, and that he has been helping to organize a society or group of persons in Tonopah to constitute a local assembly of members of said Metal Mine Workers' union by receiving applications for membership and initiating members therein, receiving necessary cards and blanks, applications for membership and books to be distributed. Sullivan is charged with having initiated into the local union, O. E. Stone, Harry Oleson and Rasmus Maide, employees of the Tonopah Divide.

#### PLAN TO SINK GERMAN WARSHIPS

#### R. R. LOSE BY RULING ON MAIL

(By Associated Press) WASHINGTON, Jan. 12.—Validity of the order issued by the postmaster general establishing a division of seven days instead of six for determining the daily average weight of mails carried during test weeks by railways as the basis fixing their annual compensation was upheld today by the supreme court. Upon this decision rested the disposition of \$35,000,000 in claims of 800 carriers.

#### EUROPE BETTER THAN EXPECTED

(By Associated Press) WASHINGTON, Jan. 12.—Because of "enormously improved" conditions overseas the task of feeding Europe until next harvest on October 1 will not be the burden on the American government that it was last year, the house ways and means committee was told today by Herbert Hoover. Hoover said in some form or another the United States treasury advanced \$2,250,000,000 to feed Europe from the time the armistice was signed until July 1. This year Europe will be largely able to feed itself by exchange of goods and credits of \$200,000,000 from the United States.

#### BERLIN PLEADS WITH THE STRIKERS

(By Associated Press) BERLIN, Jan. 12.—The government has issued a manifesto urging striking railwaymen to resume work immediately, pointing out the consequences of the strike on 400,000 prisoners of war "whom your action is shutting out from wife and family."

#### LIFE TERM BETTER THAN THE NOOSE

(By Associated Press) SAN FRANCISCO, Jan. 12.—Floyd McChes and William Chastain, who pleaded guilty to the murder of Anton Schenck, a San Francisco politician, were sentenced today to life imprisonment.

investigations extending over a week during which the homes of the prisoners were searched by state, county and federal agents who found an abundance of literature and cards proving conclusively, the district attorney says, that the two men under arrest were engaged in acts in violation of the law against sabotage and syndicalism. The first step taken towards closing in on the radicals who have infested the vicinity of Tonopah was taken in Esmeralda county where search warrants were issued as the cabins of some of the suspects are located in the Divide district which is in the southern county. From that beginning the search was extended into Tonopah where other documentary evidence was secured for use at the trial. District Attorney Atkinson says he has no doubt of the outcome of the cases as he has a mass of testimony that will throw fresh light on the actions of the leaders in the I. W. W. movement. It is probable that other arrests will follow as the authorities are determined to avert the troubles which they thought they had gained immunity from interference in Tonopah.

#### EXPLOIT LANDS IN ZACATECAS

(By Associated Press) LAREDO, Tex., Jan. 12.—The rich mineral lands of the Mexican state of Zacatecas are to be exploited by American capital, according to Mexico City newspapers, which say capitalists from the United States already have entered that field. Plans and specifications for new mining shafts for new smelters and other improvements have been drawn by American engineers, it is said. The newspapers say all machinery and other supplies for operators in Zacatecas will be purchased in the United States.

#### BULLETIN BOARD FOR THE UNIVERSITY

The University of Nevada has provided the Tonopah high school with a handsome bulletin board for use in connection with news and all items of interest concerning the university. Miss Ruth Murray, head of the English department, has charge of the board and, as she is an enthusiastic booster for the state university, it goes without saying that the board will be kept supplied with good things concerning the university.

(By Associated Press) BERNE, Jan. 12.—Porrachia, a village in the Italian Alps, has been buried by an avalanche and many persons are reported killed. Heavy snow storms in the Alps have blocked the railways and highways and many villages are being isolated.

#### COAL MINERS ACCEPT TERMS

(By Associated Press) WASHINGTON, Jan. 12.—The bituminous coal miners will accept unreservedly any decision made by President Wilson's coal commission in settlement of the coal strike. John Lewis, acting president of the United Mine Workers of America, declared at the opening today of the first public hearing of the commission. Lewis added that miners representatives would assist the commission's inquiry.

#### TOWN TERRORS AT OLD TRICKS

Charles Hutton, aged 14, was taken to Austin this morning by his mother who promised Judge Averill that the boy would be out of Nye county not later than January 12. The boy is charged with complicity in a number of robberies, some of which constituted grave offenses and, in spite of all promises of reform and parole, he was constantly getting into fresh trouble. He was associated with Richard Ewing, aged 13, and the pair kept the police busy checking up on stolen property. The pair have been in court six times on various charges. They first came to notice through the theft from a colored man of a quantity of furniture which was used for furnishing a cave home on the outskirts of town. Next they raided a car of watermelons and followed that with stealing a bunch of rabbits. Wittenberg was victimized by the robbery of a set of harness, including a four-team set of reins. After this the lads developed a genius for stealing gasolines from the Tonopah Trucking company by emptying the tanks under the trucks would put up for the night. Mike Banovich lost his white horse which was left at a postman between here and Manhattan and returned home. The latest exploit was to steal 150 sacks and four sacks of bran from John Du Pratt. Ewing is under a \$50 cash bond to appear this afternoon in the justice court where he probably will be sent up to the juvenile court, presided over by Judge Averill.

#### BASKETBALL IN SASKATCHEWAN

(By Associated Press) MOOSE JAW, Sask., Jan. 12.—Nick Williams, who will manage the Moose Jaw basketball team of the Western Canada league this season, is credited with having been responsible for the early success of Pinner brother of the Cincinnati Nationals. Williams was a catcher when in his prime and may do a little backstopping for the Hobbs Hawks. This will be his first season with the locals. As it is expected that the Western Canada league will be closed at a B level, the player limit will probably be lowered. Williams is an all heavy hunt at present.

#### RACING ON ICE.

(By Associated Press) MT. CLEMENS, Mich., Jan. 12.—Harness racing on the ice will begin at the Clinton View park here Saturday 20. The work of using the track has been begun, and a number of the star performers of the winter season are quarantined in the stables.

If it is news of importance you will see it in The Bonanza.

#### QUAKE VICTIMS LIVE 140 FEET UNDERGROUND

(By Associated Press) MEXICO CITY, Jan. 12.—Unique in the annals of earthquakes is the experience of the family of Professor Francisco Riveros, of Barranca Nueva. The quake opened a giant chasm in the earth in which their home was engulfed. For more than a week the members of the family have been living in the bottom of this abyss at least 140 feet below the surface of the earth. Surviving neighbors have been lowering them food and water at the imminent risk of dislodging rocks which might fall and crush those beneath. The belief is expressed that rains or new shocks mean death to those imperiled in the abyss.

#### BRITISH ENVOY GOES TO BERLIN

(By Associated Press) LONDON, Jan. 12.—Lord Kinnaird left London today to act as British diplomatic representative in Berlin. His departure marks an important step in reestablishment of diplomatic relations between Great Britain and Germany which will be effected almost immediately.

#### HUMBERT FAILS OF RE-ELECTION

(By Associated Press) PARIS, Jan. 12.—The Spanish ambassador at Berlin who is representing the interests of France, notified the German government yesterday that France had taken action for the resumption of diplomatic relations with Germany.

(By Associated Press) PARIS, Jan. 12.—Most of the outgoing senators who were candidates were re-elected yesterday, one outstanding exception being Charles Humbert, who was acquitted last May by a constitutional of the charge of having had dealings with the enemy. He withdrew on the second ballot and asked his supporters to give their support to President Poincare.

#### PRINCE OF WALES GOES TO AUSTRALIA

(By Associated Press) LONDON, Jan. 12.—The prince of Wales probably will leave England for Australia about the middle of March aboard the battleship Renown. It is believed he will go by way of the Panama canal.
